UI/UX Designer

I'M PASSIONATE! UI/UX DESIGNER

I'm 28 years old UI & UX designer from Ukraine, I have an eye for detail and a passion for what I do. That's why I've been taking on various design and product development roles in my career to be able to understand all the ins and outs of the process and help you and your developers deliver the product that your users will love.

I consider myself as a UX Designer as well as a Visual Designer, trying to build and improve products in every aspects possible to make them better for the users.
